Dear Parents and Carers

### **Potential After School Provision**

As I mentioned in my interim newsletter, since my arrival at Chesterton, I have had a number of discussions with parents regarding the possibility of offering full 'wrap-around' provision. However, our major barrier has always been lack of space after school as the hall (our Breakfast Club home) is in use for a number of other purposes at the end of the school day and classrooms are required by teachers to work in after school.

The proposed expansion of the school, although not finally confirmed at this point, gives us the option of finding a different location for an after school club. Depending on current demand, the Governors and I may well also be able to look into an interim solution until the new building is completed. We have, therefore, decided to explore the possibility of providing this service, with the intention of starting in September 2017, depending on a successful recruitment process.

Subject to enough interest being shown, we are looking a running the provision Monday to Friday (potentially between 3.15pm and 6.00pm) during term time. Pricing will be based on full or half sessions and will include a snack.

- Full session 3.15pm-to finish
- Half session 3.15pm-4.30pm
- Half session (for children joining after extra-curricular clubs) 4.30pm-finish

The key issue for us is to ensure that providing this type of service is financially viable. We have to be confident that we have enough interest to cover the additional staff and administration costs to make the provision sustainable.

In order for us to make our decision, and enable recruitment, please would you complete and return the attached slip to indicate your level of interest, and how often you would be likely to use the provision for your child/ren.

Please return the slip to the school office by Friday 23<sup>rd</sup> June.

Thank you for your time.
