## **Beech Class Newsletter – Summer 2018**

Welcome back to the Summer Term! The weather is bright and shiny and the children are ready for the Summer Term to commence.

### **Reading Books**

Please try to fill in your child's reading record at the time of reading. The children note down their number of reading nights on a Friday morning, so it is helpful for the numbers to be accurate and not backdated at a later date. It is important for your child to bring their reading records in each day so reading can be recorded every time we get the chance to read in school.

### **P.E.**

P.E. will take place on Wednesday and Thursday afternoons, but it is essential that children have kit in school every day. Please make sure that children have suitable clothing. It is getting warmer now and PE will be outside. The children must bring in **shorts, t-shirt and trainers.**

### **Homework**

The children have completed some fantastic homework so far this year and it has been lovely to be able to share this work with the class. The children should report back/hand in any work that they have done at home on Wednesdays to allow time for marking, before being given back on a Friday. Sharing with the class is on a Friday. Due to the amount of excellent pieces that are brought in each week, it is impossible to be able to share everything. Therefore, each week, we will aim to share **5 or 6** pieces of work, but other work will be displayed in the classroom where possible. The suggested activities can be found on the Beech Class page on the website.

### **Equipment**

As the weather has shown much improvement recently it is important that the children bring in a suitable sun hat. We understand the need for children to protect their skin with sun cream but please can you put the first layer on at home as children can spend lots of their break and lunch times applying it themselves. Please make sure that your children bring in a water bottle, they will be encouraged to drink throughout the day especially after break and lunch times.

### **Contact**

Should you need to contact me about any matters arising, you may email directly on the following email address: [ejones@chesterton.oxon.sch.uk](mailto:ejones@chesterton.oxon.sch.uk)
