### **Reading Books**

We would like to thank everyone for the concerted effort last term to increase their child's reading nights and we hope to see this continue throughout the Summer Term. Reading at home is an important and valuable opportunity for children to practise their skills and should be encouraged, at least four times a week (for a minimum of 15 minutes). Please make sure you log all reading at home in the reading diaries, as we frequently collect the children's totals.

### **Homework**

Homework is now available on the school website for this term and we look forward to seeing the children's work each week. We ask that completed homework be handed in each **Wednesday**, so that it can be marked before class sharing on Fridays.
