1st February 2019

Dear Parent/s / Carers,

Junior Citizen – Wednesday 13th February 2019

The children in Year 6 have an opportunity to take part in Junior Citizen 2019, to be held at Rewley Road Fire Station in Oxford. This event takes place every year, and is organised by Thames Valley Police in conjunction with the Fire Service, Ambulance Service and the Health Authority. The children are supervised at all times and have the opportunity to take part in a variety of staged situations, when they are asked to act as a team to cope with emergencies or to identify dangers. Our past experience of this event has shown that children benefit greatly from the programme as it is an excellent way of preparing them for the situations that they may encounter in life outside of school.

The Year 6s will travel by coach and will be accompanied by school staff. **The coach will be leaving Chesterton promptly at 8.20am** in order to be in Oxford for 9.30am **so we would ask children to arrive and register in the school hall at 8.15 am promptly.** We will be sharing transport with Bletchington School; hence the early start. After the event, the children will be back at school at approximately 12.15pm – 12.30pm.

Children will need a packed lunch or order a cold option for the day (as we may not be in time for a hot dinner) and must wear full uniform. Girls will probably want to wear trousers on this day, as the pupils will be practising the recovery position.

We are asking for a contribution of £5 towards the cost of transport. Please give permission and make payment via the online payment system.

Yours sincerely,

Miss S. Crockett (Class Teacher)
