

As we reach the end of the Autumn Term and look forward to the Christmas holidays, I wanted to write to thank all of our families for their continuing support during this busy time of year. I would also like to give you an update on many of the fantastic things that have been going on this term, from musical moments to exciting English, sporting success to festive fun.

OAK ARE TOP OF THE ATTENDANCE TREE

Attendance for this academic year so far is 96.81%. There have been a few nasty bugs around this term, so let's hope for a healthy start to 2019.

The top two classes for attendance so far this academic year are as follows:

Ash Class – 98.08%

Beech Class – 97.22%

Congratulations to Mr Craven, Miss Robb and the resilient bunch in Ash Class!

We currently have 43 pupils who have achieved 100% attendance since September.

Term 1 House Attendance:

Buckle: 97.90%	20 points
Penrose: 97.22%	15 points
Jersey: 96.03%	10 points
Squire: 94.92%	5 points

Term 2 House Attendance (up to 13th December):

Squire: 98.22%
Penrose: 97.27%
Buckle: 97.09%
Jersey: 96.34%

Remember: House Points are available for any children who achieve 100% attendance for a whole term and this starts afresh for the Spring Term.

WHO'S THE HOUSE TO BEAT?

Our house competition has again been keenly contested throughout the Autumn Term, with over 2600 points already gained through pupils being awarded a range of certificates, earning points from our class 'Going For Gold' charts, attendance, enthusiastic running and through excellent reading at home. The first champions of this academic year were decided at October half-term with **Jessie Ward** and **Buckle** storming to victory.

The final Term 1 leaderboard was:

- 1st: Buckle (Jessie Ward / Miss Barrett) 426 points**
- 2nd: Penrose (Angelina Cerato / Mrs Leonard) 390 points**
- 3rd: Jersey (Charlie Newbery / Ms Bailey) 334 points**
- 4th: Squire (Chris Meek / Mrs Salter) 326 points**

Points for the second half of the Autumn term are reset to zero, so everything is to play for in the run up to Christmas. Remember that you can keep up to date on the House Points page on the school website.

The current Term 2 leaderboard is:

- 1st: **Buckle (Jessie Ward / Miss Barrett) 319 points**
2nd: **Squire (Chris Meek / Mrs Salter) 303 points**
3rd: **Penrose (Angelina Cerato / Mrs Leonard) 277 points**
4th: **Jersey (Charlie Newbery / Ms Bailey) 266 points**

AWESOME ACHIEVEMENTS

Our gold certificates, which are awarded for outstanding effort, are given out at the end of each term. Two children were chosen per class and received their certificates before October half-term. Each gold certificate winner earns 5 points for their house. Our chosen few in Term 1 were:

- Maple Class:** Lily Dallas & Beatrice Dancer
Beech Class: Dotty Powell & Elissa White
Ash Class: Poppy Muddiman-Wickson & Manasvi Abhilash
Apple Class: Toby Goddard & Bruna Viveiros
Oak Class: Phoebe Hutt & Luke Gavrilovic

We will be awarding ten more at the last celebration worship before the Christmas holidays, and the 50 points up for grabs could make all the difference to the destination of the house cup!

Headteacher's Awards:

Our ultimate certificate, which is awarded for: outstanding pieces of work; extraordinary effort over a period of time; other reasons where a pupil has performed significantly above expectations. These awards certainly don't come along too often and there has only been one lucky winner so far this academic year, but I certainly hope to be awarding some more early in 2019.

The first winner of 2018-19 was:

Honour Woodrow - Apple

"For her exceptional contribution to school sport at the start of this academic year. Honour has taken all opportunities and acquitted herself admirably against much older opponents – particularly at the Tag Rugby tournament."

AMAZING AUTHORS

Writing has also been celebrated again this term, with our Amazing Author certificates for October being awarded just before half-term and again this week.

Congratulations to **Grace Tingey-Smith**, **Connie Brennan**, **Emily Fuller**, **Anabelle Meek** and **Chris Meek** for impressing your teachers with your writing in the first half of the Autumn term. Examples of the children's work are on display in the school hall.

The most recent winners, for December, will be announced on Thursday.
Mrs Salter

MARVELLOUS MATHEMATICIANS

We have also recognised effort and achievement in Maths with our first Marvellous Mathematician certificate winners for this year. The teachers have been keeping their eye out for impressive work in Maths lessons and extra activities at home and chose the following winners for October.

Maple Class: **Elizabeth Nickson**

Beech Class: **William Isaac**

Ash Class: **Isabelle Goddard**

Apple Class: **Zayaan Khan**

Oak Class: **Jessie Ward**

December's Marvellous Mathematicians will be announced on Thursday.

Times Tables Masters

We have now been working hard on our weekly speed multiplication and division challenges in order to progress through the M.O.T. (Master of Tables) certificates, starting with **Bronze (2s, 5s and 10s)** and working up through **Silver** and **Gold** to **Platinum (2s-12s)**, our pupils throughout the school have been putting in lots of effort to improve their own personal score and move up to the next level. Our Oak Class pupils have taken on the challenge with such enthusiasm that a new, even tougher, level was required! **Diamond** level requires pupils to be able to work with both multiples of 10 and 100 and numbers to one decimal place. Miss Crockett and I have been very impressed that three pupils, **James Gavrilovic**, **Luke Gavrilovic** and **Finn Gauld**, have already mastered this level! I'm currently dreaming up an even harder challenge!

SIAMS INSPECTION

On the 26th November, the school underwent it's SIAMS (Statutory Inspection of Anglican and Methodist Schools). The inspector spent the day with us, looking at many different aspects of our character as a Church of England School. We have recently received the written report, which will shortly be available in full on the school website, and we are delighted that so many positive aspects of our school were recognised. I have included some of the highlights below.

“Work on comparative religions promotes respect and tolerance so that every individual is valued. Children were able to articulate that whatever one’s faith ‘you are welcome at our school’. Therefore, RE makes a distinct impact on the spiritual, social, cultural and moral development of pupils.”

“The school, through engagement with its vision, has been successful in creating strong relationships between all stakeholders. This is characterised by the care and trust between children and adults. One child expressed this as ‘(we learn that) you can disagree but still be friends at this school’.”

“Children expressed clearly how the values helped them to be the person God intended. They explained how, through their actions, they could make their community a better place.”

“The school has successfully built on previous inspections through formulating its strong set of Christian values. Children say the values improve their academic performance. For example, one child explained she could be generous with her time by helping those who did not understand work set. This attitude was evident on walks through school where children were deeply engaged in their studies, including debate and discussion.”

“The dignity and respect enjoyed by staff and children is extended to their families. Those in need are offered appropriate and generous emotional and practical support. The school’s commitment to its vision, founded on the teaching of Jesus, ensures it reaches out to vulnerable members of its community. This was explained by staff as going above and beyond general expectations.”

“Other charitable actions encourage children to think globally and recognise that Christianity extends beyond the school and local church. This is particularly apparent through the school’s link with a South African school.”

“The effectiveness of RE is Excellent. Pupils have an excellent understanding of Christianity and other world faiths....They are enthused and inspired by RE. They shared the content of their books with pride; keen to show the depth of their studies.”

CHARITABLE CHESTERTON

This term, the whole school community has really been putting our school values of COMPASSION and GENEROSITY into action with many different fundraising events.

Macmillan Coffee Afternoon

For our coffee and cake afternoon on Thursday 27th September, pupils and families again focused their baking efforts on providing a fabulous array of cakes, which were served with coffee and tea to raise money for a wonderful charity. The afternoon itself, run by our team of new school councillors, raised over £200 for Macmillan, which, I'm sure you will agree, is a great total for a very worthy cause. Well done to our team of school councillors, who did a brilliant job of hosting our customers!

Race For Life

Our first Race For Life, organised by Mrs Rotherham, was a great success. See below for the Oxford Mail article about the event.

“ENTHUSED fitness fans at Chesterton Primary School have helped raise thousands of pounds at the school’s first ever Race For Life.

Pupils of all ages took to the school field to take on the 5km challenge in aid of Cancer Research UK on Thursday, September 27.

A total of 122 pupils pounded the school grounds, near Bicester, complete with trainers and their own personal messages pinned to the backs of their T-shirts.

Headteacher Iain Horner said the young runners ‘were out in force for the event’, ready to go from the minute the school gates opened and itching to tackle the goal of 22 laps around the field.

Schoolchildren from each year group lapped up the autumnal morning and gave their best efforts to make it round the 5k route.

Mr Horner said: “The pupils all had a fantastic time and it was lovely to see them putting in so much effort to run as many laps as possible. Some really keen older runners nearly doubled the expected distance and even some of our very youngest pupils made it to the full five kilometres. The event certainly brought the whole school together and there were some lovely examples of older pupils - and teachers - encouraging the younger children to keep going.”

Everyone was treated to an orange after their run thanks to support from Tesco Bicester.

In total, the schoolchildren helped to raise £4,354 for Cancer Research UK.

The school council also followed suit in fundraising for MacMillan Cancer Support, by hosting a coffee afternoon later that day which raised more than £200.

Mr Horner said: “There were plenty of proud, smiling faces as the event came to an end and a definite sense of achievement felt by all involved. When we all found out the final total of £4,354, we were overwhelmed; it was obviously a cause very close to the hearts of our school community. I am extremely proud that the pupils embodied our values of Generosity and Compassion in such a real and meaningful way. It certainly won’t be the last time that we support the Race For Life.”

The school’s first Race for Life event was masterminded by PE co-ordinator Donna Rotherham, who also leads the cross country clubs at the village primary school.

As the cross country club has had great success and is proving popular, the teaching assistant helped stage the Race For Life event to get more people involved whilst raising money.

The money raised will go towards Cancer Research UK, for details cancerresearchuk.org.”

Harvest Food Bank Collection

On October 2nd, in the school hall, all of our children took part in a special Collective Worship to celebrate and give thanks for the harvest. Paul Clifford led the collective worship and the pupils contributed with a range of readings and poems, interspersed with some fantastic singing. I would particularly like to thank all our families who donated items for the Bicester Food Bank as part of the day. We received a huge amount of dry and canned goods, which will be distributed to local families in need.

Children In Need

One of our favourite annual fundraising events saw the school dress up in spots, design their own Pudsey teddies as well as make Pudsey pictures from loose change. This all resulted in the school raising over £434.90 for Children in Need.

Poppy Appeal

The School Council's selling of poppies and associated small gifts helped Chesterton raise £147.86 to support such a worthy charity – part of a whopping area total of £47,669! They also planted hand-made poppies on the grass bank at the new Tesco store to commemorate all those who fought. Thank you all for your

support.

The term ended with the very exciting School Council stalls at the Christmas Fayre. They planned, organised and ran the two stalls; Snowball Smash and Marble Mania.

OUR CLASSY CHOIR AND MARVELLOUS MUSICIANS

The term leading up to Christmas is always jam-packed with performances for our hardworking and talented choir and musicians.

Big Christmas Sing

On Wednesday 28th November, Mrs Salter, Mrs Meaney and Miss Barrett took the school choir to join with other singers from across Oxfordshire to perform in the impressive surroundings of Oxford Town Hall. After an afternoon rehearsal, the children had a well-earned rest and some refreshments before their big performance. The concert began with a candle-lit parade of children singing 'Once In Royal David's City'. Chesterton was beautifully represented by Jessie Ward for this song, as she joined with other school soloists to open the show. During the evening, Chesterton Choir did themselves

proud with their own brilliant performance of 'Because It's Christmas'. Later in the concert, all of the choirs joined together to sing excellent renditions of two lovely Christmas songs – 'I Wish It Could Be Christmas Every Day' and 'Noel'. Chesterton was very ably represented again by Phoebe Hutt, Oscar Williams and Mrs Meaney, as they sang the descant part in 'O Come All Ye Faithful'. Another highlight of the evening was a cameo appearance by Miss Barrett 'leaping' onto the stage with a '10 Lords A Leaping' prop during the song: '12 Days Of Christmas'. The festive evening was very enjoyable and certainly left the audience with a smile on their faces. All our choristers should be very proud of themselves. Their singing and behaviour was excellent throughout the entire afternoon and evening.

Encore, Encore!

The School Association Christmas Fayre saw another performance from our choir, who sang a set of three songs to a large, appreciative crowd in the school hall. Even as I write, the festive singing is not finished as we look forward to Singing Around the Christmas Tree and our Christmas Church Service on the penultimate day of term!

Chesterton On The Radio

After recording 'We Three Kings' and 'Because It's Christmas' back in November, Upper School waited eagerly to hear their songs played out live during Radio Oxford's breakfast show on Wednesday 12th December. If you missed their moment of fame, or if you just want to relive it one more time, the link is <https://www.bbc.co.uk/sounds/play/p06v0sj2>

Inspiring Instrumentalists

Individual and small group instrument lessons have continued this term in the studio with teachers Bethan, Flora and Ross. Children have the opportunity to learn a range of instruments, including the flute, clarinet, piano and guitar. The musicians have showcased their talents at a specially arranged celebration worship, where they performed a range of seasonal tunes, as well as making extra performances at a range of Christmas events to add an extra note of Christmas magic to proceedings.

Mrs Salter

SPORT

Despite the shorter evenings and deteriorating weather, the sporting opportunities have continued to come thick and fast over the last term and our children have acquitted themselves admirably.

As much as I'd love to, there isn't time to go into depth about each event, so here are our sporting highlights from this term!

- Our talented Year 3/4 girls' football team, including debutants Jessica Honour and Hallie Malin, winning four out of four matches at the Girls On The Ball event at Oxford High School.

- Our Year 5/6 Tag Rugby mixed A team qualifying for the North Oxfordshire District Final by finishing as runners-up in the Bicester Competition. The only team who beat us were King's Meadow and we got our own back at the district event! None of the girls in the team had ever played tag rugby competitively and included Year 4 Honour Woodrow.

- Meriel Woodrow's 'gun to tape' victory in the Year 1/2 cross country event at the Bicester School, followed up by a brilliant third place at the North Oxfordshire final.

- A thoroughly enjoyable morning for the Change For Life club members at Cooper School. The children enjoyed activities including archery, boccia, indoor rowing and badminton. I was particularly impressed with Joshua Horseman's badminton skills as he took on one of the Year 11 leaders for a friendly match!

- A fantastic 3rd place team finish at the Year 5/6 Bicester swimming gala. Our boys' team held their own against the teams from larger schools and only missed out on qualification for the district final by one point. Our girls' team, who were the youngest team there and included three Year 4s, also performed admirably to finish 8th and help the school to an overall 3rd place.

Date	Event	Year/s	No. of teams/competitors	No. of Chesterton teams/competitors	Results	Certificate Winners
26 th Sept 2018	Girls On The Ball Football Event	Year 3/4 /5/6	4 teams	2 teams	Year 3/4: 4 wins, 0 draws, 0 defeats (9 goals scored/0 conceded)	N/A

Andy Reading Fun Run

On a very pleasant, if a little breezy, afternoon on Sunday 9th December, 25 determined competitors from Reception to Year 6 turned out to compete in the annual 1 kilometre Andy Reading Fun Run at the Bicester Sports Association playing fields in Chesterton. It was very impressive to see so many pupils from Chesterton (approximately half the entries) competing against many athletics club runners. We had a number of top 10 finishers, with Jessie Ward (3rd), Isabelle Goddard (7th), Honour Woodrow (8th) and Olivia Morgan-Griffin (9th) continuing their good form in the girls' race. Jack Martin (8th) produced a very strong run from start to finish in the boys' race; closely followed by Lewis Smith (9th) and Finlay Haynes (11th), who beat a number of older athletes. We were very excited to find out that we had won the trophy for best primary school – the third time in the past four years!

Congratulations to all our pupils and a special mention to our two intrepid runners from Maple Class, Edward Messum and Edith Haynes. Let's hope we'll be back next year to defend our trophy with even more runners!

I'd also like to thank our dedicated team of School Association volunteers who organised the refreshments stall to raise much needed funds for the school.

Football Fixtures

Although our Bicester Schools' Football League campaign is yet to get underway, we have been involved in plenty of footballing action to ensure that we are ready to go in the new year. See results and top goalscorers

below.

Date	Competition	Home	Goals	Away	Goals	Chesterton Scorers	Player/s Of The Match
17 th Sept	Girls' Friendly	Ward's Wizards	2	Cerato's Cyclones	2	Miles, Cerato, Ward, Bramham	Hallie Malin Alyssa Gidney-Twiselton

LOWER SCHOOL'S STAGE STARS

The lead up to Christmas is always 'performance season' in a primary school and it has been no different this year at Chesterton. This week saw two performances of Lower School's 'A Christmas Jigsaw', which cleverly pieced together the story of the first Christmas. It is a genuine pleasure for me, as headteacher, to be part of the audience and I know that parents, grandparents and other relatives shared in the enjoyment of seeing so many enthusiastic and smiling actors and singers. These productions require a lot of hard work – from teachers, teaching assistants, pupils and parents – but I hope that you agree that the results are well worth the effort.

One parent, who emailed their thanks to the staff, summed it up perfectly:

“What a brilliant Nativity! All the children seemed so happy and confident and it was great to see some of the quiet children shine. The set was an art piece, the costumes delightfully hand-crafted, the music brilliantly ambitious; the children clearly enjoyed the rounds and the individual pieces. Loved every minute. Thank you all.”

Dotty & Barney as Mary & Joseph

Maple Class on their Chesterton School stage debut

PROFICIENT PEDALLERS

Terms 1 & 2 have seen two separate groups of Year 6 pupils undertaking the Cycling Proficiency. Learning about various aspects of cycle safety, the Highway Code and bike handling, the children have progressed from sessions on the school playground to excursions onto local roads, where they have had to apply their knowledge for real. The children, assisted by a fantastic team of parent volunteers, have also had homework tasks to make sure that they were up to speed ready for the assessment at the end of the course. After visits from an external examiner to test both theory and practice, I am pleased to say that all children in both groups passed and I'm sure that they are now better prepared for any independent cycling that they may do in the future.

A huge thank you to our wonderful team of parent volunteers, particularly Helen Marchetti, who has taken on the role of co-ordinator this year. I'd also like to thank Kelly Kernan and Sara Gauld, who will be moving on after helping with a number of courses, and Gemma Haynes, Lisa Horseman and Annie Dallas who have stepped-up to help this year. Without our dedicated volunteers, it simply wouldn't be possible to offer Cycling Proficiency to our pupils. New parents are always welcome – if you think that you might be able to offer some of your time in future, please contact Helen or the school office.

FRESH AIR AND FREEDOM AT FOREST SCHOOL

This term, children in Oak Class have braved the elements to take part in Forest School sessions run by me and Mrs Meaney. During these sessions, the children took part in a range of activities in a local woodland, which we are kindly allowed to use by the Lane Fox family. The children have enjoyed exploring the environment and learning new skills such as building dens, making decorations out of natural materials, tying knots, constructing a rope swing and using tools, including bow saws, hand drills and loppers.

One of the highlights of these sessions was the wonderful Christmas tree that the children worked together to make out of wood, which has been decorated and put on display in their classroom. To make this, the children had to source the materials, use a saw to cut the branches to the required lengths, drill holes in each piece using a hand drill before constructing the tree. I'm sure you'll agree that the end result makes a lovely decoration.

Mr Craven

SCHOOL ASSOCIATION PUT IN A 'FAYRE' AMOUNT OF EFFORT TO RAISE MONEY

The Chesterton School Association has been exceptionally busy in recent weeks organising the ever-popular Christmas Fayre, not to mention the film night. Nearly £3000 has already been banked, over 56% of the target amount, with just a third of the year gone!

Event	Amount Raised
September Disco	£226.78
Bags 2 School	£124.00
Jumble Sale	£241.90
Christmas Cards	£236.50
Christmas Fayre	£1,331.34
Andy Reading Run	£213.85
Festive Film Night	£436.92
Achieved	£2811.29
Goal	£5000.00
Current total	56%

Message from The School Association:

Thank you to all of you who have attended and supported these events. A big thank you also goes to all of you that helped on stalls at the Christmas Fayre, as well as those that helped to set up and organise the evening. It couldn't have been done without you all.

Helen and Gemma have also composed a summary of the term in poetry form (I need to up my game!).

Another exciting term is over,
 And we are thrilled to say,
 That so much fun and laughter
 Has been had along the way!

The **Christmas Fayre** was awesome
 Handmade crafts and many a game.
 The **Moose** was finally captured
 And we all found out his name.

We've had a **Jumble Sale**,
 You've filled your **Bags2School**,
 Lower School's brilliant **Roman Day**,
 Was subsidised for all.

Festive Film Night was a treat,
 The tuck shop a great success.
 Thanks to all the staff and parents
 Who tidied up the mess.

To the **Black Country Museum**,
Heading up the motorway,
Dressed to look Victorian,
Upper School spent the day.

The **Andy Reading** run took place
And we supplied the food.
The amazing runners kept the pace,
Then warmed up with tea we'd brewed!

The funds you raise at our events,
The money you donate,
Goes straight to School for all to share
So **THANK YOU**, you are great!

AMAZING ACTIVITIES, LIVELY LESSONS AND VARIOUS VISITS!

As usual, I have written far too much so I am going to summarise the remaining activities and events from across the school in photographic form - there certainly has been a lot going on already this year!

Parliament Week

AND FINALLY...

*Thank you all very much for the support that you have given to our staff so far this academic year, as we all work together to ensure that Chesterton provides the best possible education for your children. The staff are looking forward to recharging our batteries over the festive period and we will be back in January ready for an exciting 2019. Please note that school re-starts on Monday 7th January.
I would like to wish you and your families a happy and healthy Christmas together. May it be full of festive cheer!*

Best wishes,

Mr. I. Horner (Headteacher)

**This newsletter will also be available on the school website:
www.chestertonprimaryschool.org.uk**
