Science Oxford Visit on Wednesday 28th February 2024

Dear Parents and Carers,

In line with our Topic this term, Rowan Class will be visiting Science Oxford on Wednesday 28th February. At the centre, the children will be able to take part in a wide range of fun and exciting Science experiments in the 'Exploration Zone'. They will then have a planetarium show all about space and the solar system. The day will end with a workshop about changing materials and their states of matter.

The coach will leave school at 9:15 a.m. prompt and arrive back to school at 2:45 p.m. This means that normal drop off and pick up times will apply. Pupils should bring a packed lunch, drink and snack in a small bag.

The cost of the visit is £8.50, which is great value for such an exciting full-day visit. We would like to thank the School Association for heavily subsidising this visit, in order to keep costs down for parents in the times of spiralling travel prices.

Payment and consent for this trip will need to be given online via Scopay by Friday 23rd February. This payment is a voluntary contribution and no child or family will be discriminated against for not contributing. Costs will be covered by the school for those in receipt of Income Support or Job Seekers Allowance, in which case parents should contact the office with the necessary up-to-date documentation. **However, should insufficient voluntary contributions be made, we will have to unfortunately cancel the visit.**

Yours sincerely,

Miss Barrett
