

September 2024

Dear Parents,

Open Evening — Thursday 3rd October 2024 5.30pm – 7.30pm

We are looking forward to meeting prospective students and parents at our annual Open Evening on Thursday 3rd October where you will be most welcome. Parents can register to attend the event on the school website.

These are exciting times as we have just welcomed our new Year 7 intake in what has been unprecedented time in education. We are passionate in ensuring all of our students have an enriching experience during their time with us and all are able to maximize their academic potential. We will always go the extra mile to work with all of our parents to ensure our students are happy and engaged with all of their learning at The Bicester School. We have joined forces with Activate Learning to ensure the full complement of curriculum choices are available to all of our students, especially post 16.

Selecting a school that will prepare your child for the next exciting stage in their life is very important and we at The Bicester School would like to provide you with an opportunity to visit us and make an informed decision.

The evening will begin at 5.30pm and there will be a presentation at 6.00pm in both the Lecture Theatre and the Main Hall/Evenlode building and another at 7.00pm in our Main Hall/Evenlode building. We have arranged for a number of our students to act as guides for the remaining part of the evening where they will show you around the school and introduce you to our departments and subject areas. Our staff and students will be able to demonstrate some of the dynamic learning opportunities that are on offer as well as answer any questions you may have.

Should you have any questions concerning the Open Evening, please phone the School Reception on 01869 243331 or visit our website at; www.thebicestersterschool.org.uk

Yours sincerely,

A M Rushworth
Headteacher
