

Dear Chesterton School Community,

Please see below a message from the Easyfundraising team to us. As the School Association is not able to raise funds in our usual way, maybe we could all help by using the App' so that Chesterton School will still have some income to help with additional resources for the children upon our return to school.

Last term, parents raised **£161** just by using the App for our normal online shopping!

Many thanks,

The School Association
