Equalities Policy and Plan

Equalities Policy Introduction

Chesterton CE Primary School is committed to ensuring that the principles and practices of equality are understood by all – children, staff, governors, parents and links within the local community. Equality of opportunity at Chesterton is about providing quality and excellence for all in order to promote the highest possible standards of achievement. It is based on the following core values and ethos as expressed in the school's mission statement:

In our church school, we aim to welcome all children into a caring environment, in which they are able to develop their full potential.

These aims are designed to ensure that the school meets the needs of all, taking account of gender, ethnicity, culture, religion, language, sexual orientation, age, disability and social circumstances and the school recognises it has to make special efforts to ensure that all groups prosper, including:

- Boys and girls, men and women
- All minority ethnic groups including travellers, refugees and asylum seekers
- Children or families with different religions or beliefs
- Children and others with special educational needs
- Children and others with a range of disabilities
- Children looked after and their carers
- Children or staff who are LGBT
- Children or staff who are pregnant or have just given birth
- Children or staff undergoing gender reassignment

It is important that, in this school, we meet the needs of the school community to ensure inclusion and for all, the highest possible standards of achievement and that pupils are prepared for full participation in an increasingly diverse and multi-ethnic society.

To this end, the governors regularly review admission policy to ensure that it is not discriminatory either in intention or effect. The school has rigorous systems to ensure all children are tracked throughout the school and provision is made for those who need additional and different experiences to prosper.

As a school, we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

What sort of school are we? Chesterton CE Primary School is an inclusive, village, Church of England school built on the foundations of its Christian values: Respect, Compassion, Resilience, Generosity, Integrity and Humility.

We are situated in the village of Chesterton, 2.5 miles from the centre of Bicester, and have a planned admission of 30 into our reception class. The catchment of our school includes the parishes of Chesterton, Middleton Stoney, Wendlebury and Weston on the Green (though we also welcome many pupils who live outside of the catchment). Although the majority of our catchment is made up of those in owner occupied housing and with higher than average levels of post 18 education, there is also a significant proportion of those living in social housing and those from poorer socio-economic backgrounds.

Very few of our pupils are from minority ethnic backgrounds (3%), 6% are eligible for FSM / pupil premium, 13% are identified with learning difficulties and pupil mobility is low.

The school has identified the following issues that may be barriers to effective learning and successful working at the school:

- Low self-esteem, low expectations and peer group pressure
- Experience of bullying, harassment or social exclusion
- Low income leading to difficulty in participating in some aspects of school life and no adequate home study space
- Low parental support or different parental expectations
- Frequent moves and lack of stability in life leading to time out of school or low attendance
- Lack of help with emotional, mental & physical well-being and poor behaviour, including exclusions
- Language difficulties
- Special Educational Needs
- Lack of physical access to school facilities or services
- Inappropriate curriculum
- Recruitment, management and development of staff and governors

Our Commitment to Equalities

As a school, we welcome our duties under the Equality Act 2010. The general duties are to:

- eliminate discrimination,
- advance equality of opportunity
- foster good relations

We understand the principal of the act; and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

The school recognises that new Positive Action provisions in the Equalities Act 2010 allow us to target measures that are designed to alleviate disadvantages experienced by, or to meet the particular needs of, pupils with particular protected characteristics. If we decide to use these, we will ensure that it is a proportionate response to achieve the relevant aim.

Specific Reporting Duties

• We will publish information to demonstrate compliance with the three aims of the Equality Duty at least annually:

- eliminate discrimination,
- advance equality of opportunity
- foster good relations

We will decide what information we need to publish to demonstrate our compliance with the Equality Duty as there is no subscribed format. We will look at what equality information we publish already, and to consider whether that gives a reasonable picture of progress on equality issues affecting our pupils, parents/carers, community and staff to raise standards for all. It is essential for us to maintain and ensure that our focus is on performance, not process.

We will ensure that the information we publish and the equality objectives that we set are easily accessible for people. In addition to publishing them electronically on our website, we will consider making them available in other formats. We will also consider whether the information is provided in a way which makes it easy for everyone to understand and use.

• We will review this policy and set and publish equality actions every 3 years.
