

OUR MISSION

“In our church school, we aim to welcome all children into a caring environment in which they are able to develop their full potential.”

In pursuing our mission, we endeavour to fulfil the following aims:

To ensure that Christian values are promoted within the school, working in partnership with parents.

To encourage in pupils a sense of integrity, compassion, self-belief, creativity and respect for others.

To promote self-esteem by helping each child to gain a sense of achievement through their learning and to celebrate success.

To stimulate a sense of curiosity and excitement about the world, and to encourage children to search for truth, meaning and a purpose in life.

To provide a healthy and safe environment in which we, as a school community, can work and play happily together.

To encourage everyone to develop skills which will enable them to make a positive contribution to the society and environment in which they live and so achieve their full potential.
