

Physical Education and Sport at Chesterton (Sports Premium Report)

Sport plays a key role in school life at Chesterton. Children throughout the school are coached by professional coaches and experienced teachers both within curriculum time and during our after school clubs. All pupils take part in two timetabled PE lessons per week. Our PE curriculum covers all areas of the curriculum including swimming, gymnastics, dance, athletics and team games. Our focus is on skills and older pupils use these in specific games and have opportunities to compete against other local schools. Sports Day is a popular event in our school calendar, where all children have the opportunity to compete at their level.

At Chesterton, we are very lucky to be a part of a Sports Partnership which was established with the aim of improving the quality and quantity of school sport and physical education within the local network of schools.

As well as improving PE and school sport for all its pupils, the partnership plays a major role in developing sporting opportunities within the local community. Chesterton School is an integral part of the School Sport Partnership programme. The Partnership Activities Co-ordinator is Rory Mown. He is based at Bicester Community College and co-ordinates the organisation of competitions and tournaments, involving all school in the Partnership, at intra-, inter- and county level. The Partnership is based around Bicester's secondary schools and we are part of the Bicester Community College 'family'

Apart from entering tournaments and activities arranged through the partnership, we also enjoy friendly village competitions in football and cricket with Bruern Abbey School and provide a range of sports clubs for our children after school.

Sports Premium

In 2013 – 14 Chesterton School received £8,500 as a Sports Premium (less than 2% of the entire budget). The total spent on PE throughout school was £10,112.

Future Focus

- **Develop quality of PE/Sports leadership in school – including:**
- Audit of staff competencies and training needs.
- Lesson observations of PE and scrutiny of PE assessments to be included in co-ordinators file.
- More visibility of sporting participation on school website.
- More regular updating of school sports notices and website.
- Scrutiny of PE sessions and assessments to identify pupil achievement in PE
- Ensure balance of girls and boys participation in after school clubs
- Ensure pupil premium and other vulnerable groups can access after school provision.

Sports Premium 2014-2015

In 2014-2015 our Sports Premium will be £8,535.

We have allocated £4,267 to finance continued membership of NOSSP, which will provide/support:

- Family training meetings
- In school staff training opportunities
- Access to level 2 competitions
- Sports Coach mentoring
- Audit of staff competencies and training needs
- Work towards Bronze Kite mark

Remaining funding will go towards £5320 to provide enriched sports provision (Club Energy). Which will provide/support:

- Consistent PE provision matched to the new National Curriculum
- Quality after school sports participation
