## Primary Physical Education and Sport Premium

From September 2013, all primary schools across England have received a share of the Government's £150m per annum Primary and Physical Education and Sport Premium. The funding is ring-fenced and must be spent on improving the provision and quality of PE and sport in primary schools so that pupils develop healthy lifestyles.

Chesterton Primary School has received £8585 for the academic year 2015/16. 50% of this has been spent on our annual affiliation **to North Oxfordshire School Sport Partnership (NOSSP)**. This affiliation gives Chesterton Primary School access to regular expert advice from a secondary PE specialist, quality assured professional development training for teachers and teaching assistants, occasional input and support from qualified sports coaches, access to regular sports competitions and festivals, including national School Games competitions and evaluation tools to help measure and monitor progress and impact.

NOSSP affiliation also provides automatic **membership to Youth Sport Trust** and a range of additional benefits and support including the Youth Sport Trust Quality Mark.

The remaining 50% goes some way towards paying Club Energy; a company who provide high quality teaching of PE across the school once a week, as well as running multi sports and football clubs after school. The ongoing cost for the replacement of PE equipment is met from within the school budget.

### **Impact**

The impact of the Sport Premium Funding is particularly noticeable in a small school like Chesterton. Our pupils work enthusiastically in all PE curriculum lessons, after school clubs are well attended and pupils are always keen to participate in any sporting activities that enable them to learn new skills. Our affiliation to NOSSP enables our pupils to demonstrate these skills by taking part in a wide range of sporting competitions which they do with evident enjoyment. Being able to play against several other teams, offering different levels of skill, is of particular importance to our pupils as having small cohort numbers can sometimes make this difficult to arrange 'in house'.

Pupils at Chesterton have a very positive view of PE and School Sports and are very keen to represent their school at any given opportunity. At the half way point of this academic year, pupil participation in sporting activities is maintaining its year by year increase with 83% of pupils in KS2 having already represented their school; many for the first time. They have participated in Tag Rugby, Cross Country, High Five Netball, Swimming, Multi- Skills,

Quicksticks Hockey, Football, and Sportshall Athletics aimed at inclusion as well as fostering gifted and talented athletes. Through taking part in these activities, children have been signposted to sporting clubs and events taking place within the local area and many of our pupils show commitment to their local teams. We are members of the Bicester Schools' Football League and sometimes play friendly matches against other local schools, fielding an A and B team as well as a girls' team. We have fostered strong links with a local Independent school; giving further opportunities for competitive sports such as Tag Rugby, Football and Cricket.

Table to show % of pupils having represented Chesterton at one or more sporting events since September 2015

Reception	27%
Year 1	100%
Year 2	90%
Year 3	38%
Year 4	79%
Year 5	100%
Year 6	100%

We encourage pupils to participate in after-school sporting activities and have successfully run the following clubs so far this year, Tag Rugby, Mixed Football, Girls' Football, Gymnastics, Multi- Sports and Judo. Pupil opinion is sought through the School Council and our, newly introduced, Sports Captains.

Table to show the % of pupils who have attended an after school sporting club since September 2015

Reception	9%
Year 1	57%
Year 2	35%
Year 3	29%
Year 4	68%
Year 5	65%
Year 6	55%
KS2	53%

Across the first three terms of this academic year, staff have had the opportunity to plan, and teach alongside a PE coach from NOSSP in order to develop greater confidence with the delivery of high quality curriculum PE. This has resulted in enhanced quality of teaching and learning and an understanding of how to incorporate PE into other areas of the curriculum. The staff have also received CPD in gymnastics from a NOSSP Mentor.

The Sports Premium has also enabled us to train a group of pupils to take on the role of Young Leaders and organise playtime activities for other pupils. We are developing the role of pupil sports coaches; giving older pupils the chance to share their expertise with younger pupils and support them during inter-school competitions as well as having two designated school sports captains. This sharing of skills and fostering of talent works well and pupils enjoy working together as peers.

Celebrating achievement is an important part of life at Chesterton and participation in any sporting event is recognised during whole school worship. Pupils enjoy receiving participation certificates for both team and individual performances and are pleased to score points for their house in this way. Any pupils achieving success for sports undertaken outside of school hours are encouraged to share their experience in school and pupils displaying the school sports values are also rewarded. As a school, we make every effort to enable our pupils to attend as many sporting events as possible and we are often commended for displaying good sportsmanship and commitment. Pupils take pride in their sporting skills and willingly write sports reports for the PE and School Sports Premium page on the school website. They are always keen to talk visitors through the photos and results on display on the school sports board and to see which events are forthcoming.

**Chesterton achieved the Silver Youth Sport Trust Quality Mark in July 2015 and we are currently working towards achieving Silver School Games Mark 2015 / 2016 to reflect our commitment to and the development of competition, school sport and physical education within our school.**
