

## APPLE CLASS PRAYER

Dear God,

Thank you God for making us the people we are today and for giving us the resilience throughout our home and school learning.

Thank you for sharing your compassion and for showing us where love is needed most. Help us to show generosity and to support those most in need. Guide us to show integrity and to stand up for what is right and true. Support us in being humble and celebrating all achievements, whether they are large or small.

We also thank you for the beautiful world around us. We pray that the environment remains a safe, clean place where people can grow and explore. We ask you to help those who have fewer opportunities than us, who need your love more than most and who need your guiding hands to keep them free from danger.

Amen
