

# Hawthorn Class Prayer

## 2023

Dear God,

Thank you for the life you have given us on Earth, where we are safe and loved.

Thank you for our families and friends, who care for us and help us when times are tough.

We are grateful for the shelter, food and drink that you provide us with in order to live.

Please help us to protect our rights to live a fair and peaceful life.

Please help us to have the confidence and integrity to stand up for ourselves and others – to know right and wrong and to prevent bullying.

We hope you can help us to support people to overcome any challenge in their lives and succeed in all areas that they choose.

When people are ill, we hope you can help us to ensure that everyone receives the care and treatment that they need to get better.

Finally, please help us create a world that is safe, so people can thrive and be happy – bringing an end to war and pain.

Amen
