You can find out more about it here <a href="https://www.rspb.org.uk/get-involved/activities/birdwatch/everything-you-need-to-know-about-big-garden-birdwatch/">https://www.rspb.org.uk/get-involved/activities/birdwatch/everything-you-need-to-know-about-big-garden-birdwatch/</a></p> <p>Find a spot to watch the birds and count how many of each bird you can see. There is a checklist of birds on the Home Learning resources page. You might even spot a bird that isn't on the list! There is a participation form on the resources page too. You can fill it in and send it to the RSPB to tell them about the birds that you spotted.</p> <p>You could also do this quiz to find out which garden bird you are. Mrs Leonard is a Robin! <a href="https://www.rspb.org.uk/get-involved/activities/birdwatch/which-garden-bird-are-you/">https://www.rspb.org.uk/get-involved/activities/birdwatch/which-garden-bird-are-you/</a></p> <p>You can then use this page to find out more about your bird, watch a video of them, and even listen to its singing voice! <a href="https://www.rspb.org.uk/fun-and-learning/for-kids/facts-about-nature/facts-about-birds/">https://www.rspb.org.uk/fun-and-learning/for-kids/facts-about-nature/facts-about-birds/</a></p>	<p><b>Fine Motor Skills</b></p> <p>Practice your letter and number formation on the laminated sheets.</p> <p>Make a pasta snake!
