Street Tag Competition

As opportunities to participate in inter-school sport are limited this term, we are delighted to announce that Chesterton will be participating in the Street Tag Oxfordshire Schools Games Season 1 from 5th Oct 2020 to 28th December. It sounds like a really interesting opportunity to do something active and outdoors in these strange times. Please see information below from the organisers.

About Street Tag

- *For communities, Street Tag is exceptional at bringing together families, neighbours, and communities to get out more, by turning streets and green spaces into a virtual playground, to increase families' outdoor experience in walking, running, and cycling more to earn rewards.*

Step by step of how to participate in Street Tag and how it works

1. **Install** the Street Tag app on the App Store or Play Store (or at www.streettag.co.uk)
2. **Join the school team using the QR code.**
3. There can be up to 250 players in our school team.
4. During the Street Tag experience, families, staff, and children record their distance walked by scanning virtual tags (each tag are worth 10 points on average) at various locations, converting their steps done indoors or outdoors into points through the steps sync feature, watching their total distance (points) accumulate to climb up on the School leaderboard, creating competition, being physically active, visiting parks, an opportunity to engage in a fun play experience, and earning prizes. Overall Street Tag delivers active happiness to families.
5. There will be prizes for the top 3 schools on the leaderboard.

If you have any questions, please send an email to seun@streettag.co.uk or contact Mrs Rotherham via the school office.

Kind regards,

Mr Horner
