19th July 2021

Dear Parents and Carers,

Cycle Safety Training Course

During the Autumn Term, Year 6 children have the opportunity to partake in a cycle safety training course run by Oxfordshire County Council's Road Safety Education Team and a group of parent volunteers. The tutors are trained to introduce children to the rules of the road and teach them how to keep themselves safer when cycling in traffic.

The course will last 6 weeks with a test arranged for the last session. These sessions will take place **one afternoon a week between 1.30-3.00pm (on a school day)**, and will take place on the roads around school.

The initial course can accept up to 11 children. If there is surplus amount of interest, names will be pulled out of a hat, with the remaining children being offered a place on a course later in the school year.

If your child is interested in taking part in the cycle safety course, please complete the slip below and return to Miss Crockett by **Thursday 22nd July**. Please be aware that if your child is offered a place on the course, they will be required to attend every session regardless of other activities taking place in school.

If you have any questions, please contact me directly

Kind regards,

Miss Crockett
