

## Chesterton CE Primary School

### Questionnaire for Parents and Carers – May 2025

My child is in:    Maple    Beech    Ash    Chestnut    Hawthorn    Rowan    Oak    (Please Circle)

In addition to our regular, end-of-year questionnaires, we would be grateful if you would answer the following questions about some areas that we are particularly focussing on at the moment.

Please feel free to return the questionnaire to your child's class teacher or the school office.

Thank you.

### Our School Vision

Over the last couple of years, we have been working to devise and implement our School Vision – **“Building Firm Foundations For Life”**, alongside our existing values. Now, we would like to gauge parental views and understanding on this, so we can ensure that it is fully reflected in the life of the school, rather than just words on a display.

		Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
1	My child understands the school Vision.					
2	My child can explain what 'Building Firm Foundations for Life' means.					
3	My child can articulate how 'Building Firm Foundations for Life' is experienced at school.					
4	My child knows how the Vision is linked to the teachings of the Bible.					
5	I understand why this Vision is relevant and important to my child.					
6	I can see that the school takes actions to 'Build Firm Foundations' for my child.					
7	Did your child take part in the recent vision art competition (either colouring in the logo or designing their own image)?				Yes	No
8	Can you remember your child receiving a 'Values' certificate from school recently?				Yes	No
9	If you had to select which of our School Values was the most important as a foundation for your child's life, which one would you choose? Please circle one.					
	<b>Respect</b>  <b>Hope</b>	<b>Compassion</b>  <b>Integrity</b>	<b>Resilience</b>  <b>Humility</b>			
Please use this space for any additional comments that may help clarify your responses.						

## Physical Activity

As we hope you are aware, Chesterton School is passionate about the benefits of physical activity for your children, whether that's through P.E. lessons, competitive sport or being physically active in other ways. However, we are always keen to explore ways that we can enhance our opportunities or ensure that the message reaches parents and carers.

		Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know / N/A			
1	My child enjoys P.E. lessons at school.								
2	My child has had a good number of opportunities to represent the school at sporting events.								
3	Competitive/team sporting opportunities are important for children.								
4	My child is encouraged and supported to take on new sporting opportunities and activities.								
5	My child's wider confidence/resilience has grown as a result of taking part in sport/physical activity.								
6	My child talks about being active at break time and lunchtime.								
7	I understand that physical activity is strongly connected to mental health and wellbeing.								
8	My child talks about opportunities to be active during other parts of the school day (e.g. Active Maths lessons, brain breaks, outdoor learning).								
9	My child enjoys taking part in Wake Up, Shake Up.								
10	My child enjoys taking part in the Morning Run (Daily Mile).								
11	I would support the school adopting a more active uniform policy, by changing footwear requirements to be black trainers rather than school shoes.								
12	Please rate the importance of the following benefits of taking part in physical activity for your child. 1 = Very important, 2 = Quite important, 3 = Not important								
Maintaining a healthy weight		Boosted confidence		Boosted resilience		Improved concentration		Experience of being part of a team	
Learning to win and lose		Having the opportunity to be successful		Staying healthy (avoiding illness)		Improved sporting skills		Stepping out of their comfort zone	
Please use this space for any additional comments that may help clarify your responses.									

## **Maths**

We have made some changes in our approach to teaching Maths over the past few years. Whilst we feel that these changes have largely had positive outcomes in school, we would now like to ask parents to share their opinions, so that we can better understand views on Maths.

		Strongly Agree	Agree	Disagree	Strongly Disagree	Don't Know
1	My child talks positively about Maths.					
2	I had a positive experience of Maths teaching when I was at school.					
3	If my child is confident in an area of Maths, I understand how I could deepen their understanding (e.g. reasoning and problem solving).					
4	I know how to support my child at home with their Maths Homework.					
5	My child makes use of Times Tables Rock Stars (TTRS) as part of their Maths learning at home.					
6	My child makes use of Mathletics as part of their Maths learning at home.					
7	I attended the recent Maths evening at school (1 <sup>st</sup> May).	Yes			No	
8	(If attended) The Maths evening helped me better understand how Maths is taught at Chesterton.					
9	(If attended) The Maths evening helped me better understand how to support my child with their Maths learning.					
	Please use this space for any additional comments that may help clarify your responses.					

The governors and staff really appreciate your feedback. Thank you for your time.

Mr Horner and Mrs Salter – May 2025
