MAPLE CLASS CURRICULUM EVENING

Dear Maple Class Parents,

I will be holding a curriculum evening on Thursday 9th October at 5.00pm in Maple Class. This session should last approximately 45 minutes, with time to ask some questions at the end.

Now that your children have settled into school life and the routines are starting to make sense, I wanted to take the opportunity to explain a bit more about the Foundation Stage curriculum. I will talk about the different areas of learning in Reception, which topics we will be covering throughout the year and share some suggestions about how you can help your child's development at home.

This session is aimed at adults only and we would ask that pupils do not attend. If you do not have any childcare at that time, please contact the school office and your child may attend Tree House whilst you are at the meeting. This will be free of charge.

If for any reason you cannot attend the meeting, please do not worry. I will be producing a handout which will include information covered during the session and this will be shared with both attendees and those who are unable to make it.

I look forward to seeing you there!

Yours sincerely, Miss H Spencer (Class Teacher)

Please complete the reply slip and return to the school office by Monday 29th September.
