Dear Parents/Carers

Open Evening — Thursday 8th October 2026 5.30pm – 7.30pm

Transitioning from primary school to secondary school is a significant step and we warmly welcome you to our Open Evening to visit our school, meet staff and students and learn more about us. We'll share how our motto of Aspire and Achieve comes to life in our calm, inclusive and aspirational environment where every student can thrive both academically and personally. We offer a broad and enriching curriculum, encompassing academic, creative, sporting and extra-curricular activities.

We are passionate in ensuring all our students have an enriching experience during their time with us, and all can maximize their academic potential. We will always go the extra mile to work with all our parents to ensure our students are happy and engaged with all aspects of their time with us. We have a rich curriculum which ensures a wide range of subject choices which are available to all our students. Selecting a school that will prepare your child for the next exciting stage in their life is very important and we at The Bicester School would like to provide you with an opportunity to visit us.

Our Open Evening will begin at 5.30pm and there will be three welcome presentations (the same talk repeated) which we kindly ask you to sign up for via our website.

- 5.30pm in Evenlode Hall
- 6pm in Evenlode Hall
- 6.45pm in Evenlode Hall

We have arranged for a number of our students to act as guides where they will show you around the school and introduce you to our departments and subject areas. Our staff and students will be able to demonstrate some of the dynamic learning opportunities that are on offer as well as answer any questions you may have.

Please register your place on our website: <https://www.eventbrite.co.uk/e/1999528870678?aff=oddtcreator>
