15th October 2025

Dear Parents and Carers,

As you have hopefully seen from the recent School Association communication, we are organising a 2026 Chesterton School Calendar (see below).

As mentioned, parents and carers have the option to opt their child/ren out if they do not wish them to be featured in the calendar. Please return the slip below to the school office by next Thursday (23rd October) if you want to do this. Any families who have not given photo permission for the website will automatically be opted out, unless we hear otherwise. **If you are happy for your child to take part, you do not need to do anything.**

Please note that pupils' specific birthdays will not be included, neither will any names or ages – it will simply be photos of groups of children from across the school, organised by their month of birth. The images will also not be available digitally.

The photos will be taken on the morning of Monday 3rd November. As you would for the recent individual and sibling photos, please send your child/ren to school in smart school uniform, including school jumper/cardigan if possible. If your child is born in December, we thought it would be fun for them to wear Santa hats for their photo.

If you have any questions, please ask.

Best wishes,
Mr Horner - Headteacher

"The School Association is excited to announce that we'll be producing a 2026 School Calendar — and it's going to be extra special! Each month will feature a group photo of all the children who have birthdays in that month, making this a lovely keepsake for families and a fun celebration of our pupils throughout the year.

All profits raised will go directly to the School Association to support projects and activities for our children.

📅 Calendars cost just £6.50 each and will be delivered before Christmas, making them the perfect festive gift for family and friends.

We're opening sales early so we can confirm numbers before the proof is ready — your support will help us get these ready in time for the festive holidays.

📱 Order your calendar now on Scopay!"
