Home Learning
Spring Term 1 2021

Choose from the following activities and complete the tasks. If you need me:
eclaridge@chesteron.oxon.sch.uk

General English Activities:

- Practise your weekly spellings.
- Read, read, read! Read to someone, but also get someone to read to you too!
- Learn to write your complete address including your post code. Remember the layout of an address!
- Write a recount of one of your days from the Christmas holiday. Remember to write in chronological order.
- Imagine you are going on a Safari! Can you write a postcard home to describe to your family what you can see?
- Create a word search for your weekly spellings. Can a family member complete it?
- Learn to spell all twelve months of the year correctly.

General Maths Activities:

- Learn to tell the time.
- Create a poster to demonstrate a selection of fractions ($\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$, $\frac{1}{3}$, $\frac{1}{5}$, or any others) using pictures or shapes.
- Year 2s keep on working on **addition** and **subtraction** calculations adding multiples of 10 to a 2 digit number. e.g. $76+20$. Year 3s, do the same with 3 digit numbers. How many different calculations can you use to get to the number 100? (You can use + - x and \div).
- Make your own maths board game to play with your family. I'd love to see pictures of any of designs!
- Create your own patterns using 2D shapes. Challenge: How complicated can you make the pattern?

Topic Activities:

- Find out how many jungles there are in the world.
- Is there a particular continent in the world that has lots of jungles?
- Watch the Jungle Book film. Complete a film review.
- Design your own animal which could live in the jungle.

Enrichment Activities:

- Have a look on the 100 Fun Indoor Activity Ideas document we have uploaded alongside this homework sheet. How many of the activities can you tick off during the next six weeks?
- Learn to tie shoelaces if you don't already know
- Build a den
- Tidy your bedroom
- Write a note to someone in your family to thank them for something you are grateful for.
- Try a piece of fruit or vegetable that you have never tried before. Did you like it? Can you find out some facts about this type of fruit?
- Draw around one of your hands, on each finger write something which makes you unique.
- Count back from 100 in 2s. If that's too easy challenge yourself to count back from 100 in 3s or 4s!
