

## **Ash Class Year 2 Summer Term 2025**

### **English:**

We will start the term by looking at two fiction books: 'Hello Lighthouse' and 'One Plastic Bag'. Through these stories, we will explore environmental and recycling themes and we will begin to learn about persuasive language as we write letters and adverts.

Later on in the term, we will move on to have a non-fiction focus, as we create fact-files and reports about sharks.

We will also enjoy some stories about pirates as we head further into the term. We will explore the characters and write stories about their adventures.

### **Art**

The children will be learning about and using textiles techniques, such as weaving and colour dying, and they will be using their skills to create artwork with a seaside theme.

During Arts Week, the focus will turn towards a 'space' theme, as we work on our sculpting skills.
