School Meals Update

Dear Parents and Carers,

We wrote to you in November advising that, as a result of Oxfordshire County Council's review of costs and services, school meal prices were to increase with effect from 6th January 2025.

We have now received further communication from OCC:

After much discussion and in recognition of the impact this increase will have on both parents and school budgets during the current budget year, the decision has been made to postpone the increase. However, this is only a postponement, and the plan is now to increase the prices from the 1st April 2025.

You will be pleased to hear this means the school meal charge has reverted to £2.60, and will remain at this price until 31st March 2025. All records on Scopay have been updated. Meal charges going back to January 6th have been amended to £2.60 and credits are now showing on dinner accounts.

If you have any questions, please contact the school office in the first instance.

Yours sincerely,

Mrs C Linfoot
Business Manager
