Travelling to School Questionnaire

Dear Parents and Carers,

The School Council is currently looking at ways to make travelling to school as active, safe and sustainable as possible for the whole school community. The information gathered from this survey will help us to make sure our plans reflect the views of parents/ carers whilst determining travel related priorities going forward.

1. Which year group and house is/are your child/children in?
2. How do you normally travel to school?
3. Why do you travel in this way?
4. Do you sometimes travel in any other ways? If so, how?
5. How would you like to travel to school?
6. What stops you from travelling in your preferred way? What would help you to travel in your preferred way?
7. Is there anything you would like to tell us (good or bad) about your journey to school?

Please return this questionnaire by 25th February. Each returned questionnaire will earn 1 House Point.

Yours sincerely, The School Council
