The Queen

- The Queen's name is Elizabeth Alexandra Mary.
- Her royal title is Queen Elizabeth II.
- She is the head of the Royal Family.
- She is the longest serving British monarch.
- In 2012, she celebrated her Diamond Jubilee. She had been Queen for 60 years.
- She is married to Philip Mountbatten.
- She has 4 children; Charles, Anne, Andrew and Edward.

Prince Philip

- Prince Philip is the Queen's husband.
- His royal title is the Duke of Edinburgh.
- His full name is Philip Mountbatten.
- He is 98 years old.
- Philip is not the king. If he was, he would outrank the Queen.
- Philip cannot be king because he was not born into the Royal Family.

Prince Charles

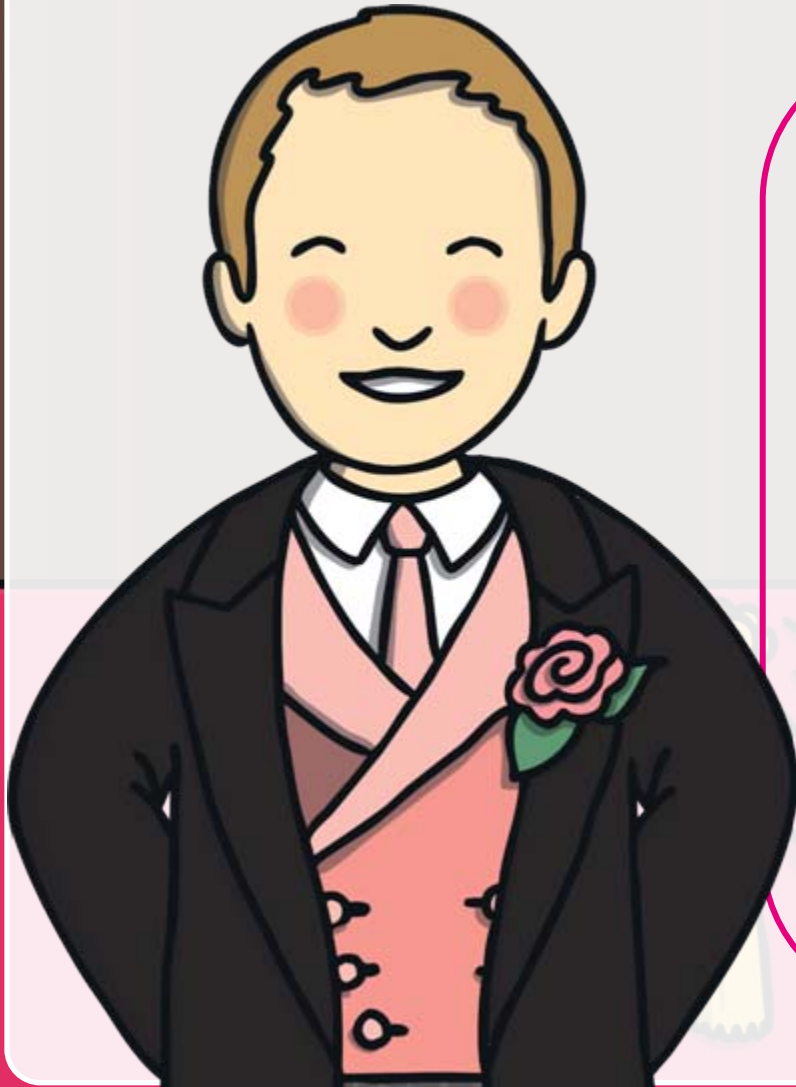

- Prince Charles is the Queen's oldest son.
- His royal title is the Prince of Wales.
- His full name is Charles Philip Arthur George.
- When the Queen dies, Prince Charles will become king and head of the Royal Family.
- Prince Charles has 2 sons: Prince William and Prince Harry.
- In 1976, he started the charity 'The Prince's Trust'. The charity helps support young people.

Camilla, Duchess of Cornwall

- Camilla is married to Prince Charles.
- Her full name is Camilla Rosemary Shand.
- When Prince Charles becomes king, she will be known as the queen consort.
- Camilla has 2 children of her own and is step-mother to Prince Charles' sons, Prince William and Prince Harry.

Prince William

- Prince William's full name is William Arthur Philip Louis.
- His royal title is Duke of Cambridge.
- He is second in line to the throne after his father, Prince Charles.
- His mother was Diana, Princess of Wales.
- He is married to Catherine, Duchess of Cambridge.
- Prince William has 3 children: Prince George, Princess Charlotte and Prince Louis.
- He used to be an air ambulance pilot.

Catherine, Duchess of Cambridge

- Catherine's full name is Catherine Elizabeth Middleton.
- Catherine is sometimes known as Kate.
- Her royal title is Duchess of Cambridge.
- She is married to Prince William.
- She is the mother of Prince George, Princess Charlotte and Prince Louis.
- When Prince William becomes king, Kate will become queen consort.

Prince George

Princess Charlotte

Prince Louis

After his father, Prince William, Prince George is next in line to the throne. That makes him 3rd in line.

Princess Charlotte is currently 4th in line for the throne after Prince George. If Prince George has children, they will take her place in the line and push her further down.

Prince Louis is 5th in line to the throne. Like Princess Charlotte, if Prince George has children they will push him further down the line.

Prince Harry

- Prince Harry's full name is Henry Charles Albert David.
- His royal title is Duke of Sussex.
- He is married to Meghan, Duchess of Sussex.
- He is currently 6th in line to the throne after his father, brother, nephews and niece.
- His mother was Diana, Princess of Wales.
- He used to be a helicopter pilot in the army.
- In 2020, Prince Harry decided not to work as a senior member of the Royal family. This means he will no longer be called 'His Royal Highness' even though he is still a prince.

Meghan, Duchess of Sussex

- Meghan's full name is Rachel Meghan Markle.
- Her royal title is Duchess of Sussex.
- She is married to Prince Harry.
- Meghan was born in America but is now a British citizen.
- Before becoming part of the royal family she worked as an actress.
- Along with Prince Harry, Meghan decided not to work as a member of the Royal family, and to live some of the time in Canada.

Archie Harrison Mountbatten-Windsor

- Archie is the son of Prince Harry, Duke of Sussex and Meghan, Duchess of Sussex.
- He was born on 6th May 2019.
- Archie is 7th in line to the throne after his grandfather, uncle, cousins and father.
- Archie does not have a title, such as 'Prince', 'Duke' or 'Earl' and is known as Master Archie Mountbatten-Windsor. This is because his parents want him to grow up as a private citizen.
