

Ash Class - Home Schooling Timetable Week 3: Kings and Queens (2)

Please submit any completed work or photos of your home learning **by Thursday** of each week, through email: eclaridge@chesterton.oxon.sch.uk or by posting through the school's letterbox. Work must be submitted by each child for us to provide feedback and tailor the following week's planning. It will also enable us to select different items to pop into our weekly newsletter or photo album, which will be published on the Friday. Rest assured, any marvellous work you complete on a Friday can be added to the following week's newsletter or photo album!

Day 5

If you would like to join in with Joe Wick's, follow this link for his YouTube channel.

<https://www.youtube.com/user/thebodycoach1>

A Royal Zoom Tea Party!

This morning, we will be finishing off our King and Queens topic with a tea party over Zoom!

If you wish, you can wear your crowns you made earlier in the week and we would love to see you dressed in your poshest outfits!

If you would like to bring your own snacks and drinks, you are more than welcome!

Jersey and Buckle will be Zooming at 9:30 a.m.

Squire and Penrose will be Zooming at 10:00 a.m.

Whilst you are not on the Zoom call, there is some royal mindfulness colouring for you to do on the school website.

English Starter:

From memory, write down 10 propositions

Main activity:

We will finish off our English for this week by looking correctly using question marks to ask open ended questions. Today, think about some of the questions you would like to ask a King or Queen (this could be our current Queen, Queen Elizabeth or her husband, Prince Phillip.) Think about asking open ended questions to make the answers more interesting (instead of asking closed questions).

Remember to include a question mark to finish your sentence.

Once you have thought of some questions, it will be time to try some drama! You may need a grown up or a sibling to help you

Maths

10 minute starter:

Speed tables

Main activity:

The Queen loves a cup of tea. However, after all these years drinking it, she fancies something new and exciting to drink!

Design/write your own recipes for a new, tasty drink you think the Queen might like. You can even come up with a name for your drink. Use water and a measuring jug to help you see the measurement amounts.

Try to come up with at least 3 different recipes.

Recipe example:

25ml of freshly squeezed apple juice

200 ml of zingy, cloudy lemonade

50ml of ice cold water

A slice of lemon

Challenge:

If you had to make one of your drink recipes for the Queen, Prince Philip and the Queen's butler, how much would you need now of each ingredient?

Tablet Time

Now finish this week with Miss Griffin's end of day story: Chapter 3- Why the tortoise has a cracked shell (see supporting resources)

				<p>with this. Pretend you are the Queen or Prince Phillip sitting on your throne! You are in the hot seat and a grown-up/sibling will be asking you the questions. Can you think of some possible answers? Once you have offered some answers, swap over and it will be your turn to ask the questions!</p> <p>Challenge: When you are in the hot seat, really try to get into character.... Imagine how would the Queen or Prince Philip sit? How would they talk?</p>

Timings on this timetable are just for guidance; do not feel obliged to follow this but please do try to come up with a consistent routine. Remember if your child has another interest, let them pursue as well. We are more than happy to see contributions from other activities. National Oak Academy is a great website to use if you want to pursue different subjects/activities in addition to the ones suggested on the timetable. The BBC are also providing 3 hours of televised programmes on BBC 1 for primary students.

You are doing a great job parents, keep in touch!
