

# THE QUEEN'S HAT

Steve Antony

Take a look at the front cover of the book. Have a think about the words which might appear in the text, words you think that won't appear in the text and words that will appear in the text. Write your predictions into the table below. **(Aim for at least 10 words in each box)**

Words that <i>won't</i> appear in the text	Words that <i>might</i> appear in the text	Words that <i>will</i> appear in the text
<b>jungle</b>	<b>London</b>	<b>hat</b>

Challenge: Choose 3 words you have written in your 'Words that *will* appear in the text' column. Write a sentence explaining why you think those words will appear in the text.

For example: I think the word hat will appear in the text because I can see from the title the story is called 'The Queen's Hat'. Also, by looking at the illustration on the front cover, the Queen is chasing a hat, which looks like it has been blown off in the wind.
