

Spelling and Phonics Focus

Date: 25/1/21`

Year 2, Group A

In Phonics next week, we will be focusing on the following sounds and spelling patterns:

o-e

Please help your child to practise spelling the following words which contain our focus spelling patterns.

We will be checking our understanding and correct use of these words, as well as other words containing the same patterns.

explode	alone
stone	awoke
bone	joke
rose	note
home	globe

Please encourage your child to think of other words with these spelling patterns and their meaning.

Here are some other activities for you to try during the week:

- Have a look in a dictionary and find out what all of the words on our list mean. Were there any new words that you didn't know before?
- Can you find any more words with the 'o-e' sound?
- Listen to what Geraldine the Giraffe and Mr Thorne have to say about i-e and e-e-

- Alpha blocks have a great way to remember the 'magic e'

- Try and make your own o-e words. You could make these into nonsense alien words! For example 'jome' and 'qobe'.
