

## Ash Class - Home Schooling Timetable Week 6: Zoom to the Moon

Please submit any completed work or photos of your home learning **by Thursday** of each week, through email: [eclaridge@chesterton.oxon.sch.uk](mailto:eclaridge@chesterton.oxon.sch.uk) or by posting through the school's letterbox. Work must be submitted by each child for us to provide feedback and tailor the following week's planning. It will also enable us to select different items to pop into our weekly newsletter or photo album, which will be published on the Friday. Rest assured, any marvellous work you complete on a Friday can be added to the following week's newsletter or photo album!

**Important, please note:** This week, slight change of plan, sharing Zoom calls will take place Thursday (11<sup>th</sup>) instead of Friday (12<sup>th</sup>)!

P.S. Parents, thank you so much for your continued support!

**DAY 4**

Start the day with some calming Yoga to get yourself ready for the day of learning and concentration!

<https://www.youtube.com/user/CosmicKidsYoga>

**Zoom calls:**  
**Penrose and Squire** your sharing Zoom call will be at 9:30 a.m.  
**Buckle and Jersey** your sharing Zoom call will be at 10:00 a.m. Please bring along your proudest work achievements!

**Maths**  
**10 minute starter:** Mathematics or TT Rockstars  
**Main activity:** The White Rose worksheets can now be found on the Chesterton website, Select the Year 2 or 3 pack, which contain all of the sheets for the week.  
The supporting video can be found on the White Rose website.  
**Year 2 video link:** <https://vimeo.com/504485413>  
**Year 3 video link:** [Spr3.6.4 - Tables on Vimeo](#)

**English Spelling**

Spelling Test (get an adult to test you on your spellings)

**Starter:**

Watch the clip from yesterday's lesson. (You might want to watch it a couple of times)

[Manonmoon - THE LITERACY SHED](#)

**Main activity:**

Imagine **you are the man on the moon** from yesterday's lesson. You are going to write a postcard to Lily. Think about what you *might* want to say:

This could include some of the answers to the questions you generated from yesterday's initial response.

- what have you been up to?
- is it hard/easy/fun living on the moon?
- met any aliens?
- what do you do all day?

**PSHCE**

Please go to Thursday's PSHCE PowerPoint in supporting resources. Miss Griffin's lesson today is on the theme of bullying.

**P.E.**

It's time to warm up for our P.E. lesson! Follow this link to complete some Space yoga to warm up your bodies!

<https://www.youtube.com/watch?v=d85dw-AcAaU>

This afternoon, we are going to be exploring different ways of movement. I would like you to imagine you are an astronaut and you are getting ready for your space mission. Think about how you will get ready? What clothes will you put on? See if you make some actions for these movements. Next, think about walking to the rocket. How would you walk? Remember you have very heavy space boots on!

- have you carried out any research or experiments?

You are now in the rocket, what do you need to do? Do you need to strap yourself in? Think about actions for this.

Finally, you are now the rocket zooming into space! What movement could you do for this? For a challenge, can you put on your moves together and perform a space dance? You could even get a grown up to film it for me!

Remember, cooling down is just as important as warming up! Take 5 minutes to cool your body down after your P.E. session.

**Day 5**

If you would like to join in with Joe Wick's, follow this link for his YouTube channel.

<https://www.youtube.com/user/thebodycoach1>

**Internet Safety Day!!**

Today is completely dedicated to Internet Safety.

Staying safe online has never been so important!

To start the off, listen to the Funny Tummy song:

[Jessie & Friends: The funny tummy song - YouTube](#)

Listen to the song a couple of times and not down any advice the song tells you to. Next, go to supporting resources and you will see there is a British Sign language PDF which shows you actions to accompany the chorus to Funny tummy song. Have a go at putting some of these actions to the song.

Make a mind map of all the different ways you think you can stay safe whilst online.

Next, have a read of the PowerPoint story 'Smartie the Penguin'. This can be found on the school website.

Once you have read/listened to the story. It is now your turn to re tell it in any way you would like. Here are a few ideas for you:

-Make your own Smartie the Penguin sock puppet and create a puppet show! Please follow this link for instructions...

<https://www.birthdayinabox.com/pages/animal-crafts-penguin-sock-puppets>

-Make a penguin role play masks, to act out this story! Follow this link for instructions...

<https://www.activityvillage.co.uk/penguin-mask-craft>

Design your own T-shirt with e-safety based messages on it that you have learnt over today. There is a T-shirt template in supporting resources.

For a brain break this afternoon, have a go at testing out your typing skills using 'Dace Mat Typing' by clicking on the link below: [Dance Mat Typing - BBC Bitesize](#) Choose the level you feel comfortable with 😊

Happy half term Ash Class, you're all amazing

				<p>-Create play dough penguins to act out the story</p> <p>-Use the comic strip template on the school website to create your own comic!</p> <p>We would love to see you stories!</p>

Timings on this timetable are just for guidance; do not feel obliged to follow this but please do try to come up with a consistent routine. Remember if your child has another interest, let them pursue as well. We are more than happy to see contributions from other activities. National Oak Academy is a great website to use if you want to pursue different subjects/activities in addition to the ones suggested on the timetable. The BBC are also providing 3 hours of televised programmes on BBC 1 for primary students.

You are doing a great job parents, keep in touch!
