It will also enable us to select different items to pop into our weekly newsletter or photo album, which will be published on the Friday. Rest assured, any marvellous work you complete on a Friday can be added to the following week's newsletter or photo album!

Timings on this timetable are just for guidance; do not feel obliged to follow this but please do try to come up with a consistent routine. Remember if your child has another interest, let them pursue as well. We are more than happy to see contributions from other activities. National Oak Academy is a great

website to use if you want to pursue different subjects/activities in addition to the ones suggested on the timetable. The BBC are also providing 3 hours of televised programmes on BBC 1 for primary students.

You are doing a great job parents, keep in touch!
