

Maple WEEKLY

Week 5 — Monday 1st February to Friday 5th February 2021

Mrs Leonard's update: Hello Maple Class! I hope that you enjoyed our a game of Bingo this week. I had a great time seeing which objects you chose. I also hope that you managed to complete some of the PSED activities as part of Children's Mental Health Week. We have one more week of home learning before a very well-deserved half term break! I have a few fun things planned for our Thursday Zoom sessions, so please check the resources page and Zoom email for more details.

Please continue to email me at: ileonard@chesterton.oxon.sch.uk with photos and videos of your learning. If you would like to appear in next week's newsletter, please send them to me by Friday morning and I will do my best to fit them all in!

Reading Awards!

Well done to these children for reaching another reading award:

Lucy, Rocco and Noah—75 days

James N and Aidan—100 days

Cherry —125 days

Please let Mrs Salter know when you reach your next milestone!

Feeling Artly!

I've enjoyed seeing the posters that you designed for the Eco-competition. They included some great pictures and important eco friendly messages. Miss Claridge was very happy!

Certificate Winners!

Congratulations to Lucy and Hugo for earning a well done certificate this week! I can't wait to see who does some more fantastic learning next week!

Staying Active!

Isabella has been very active this week! Here she is mid-jump on here trampoline. She has also been out riding her bike, doing some Cosmic Yoga, and doing double P.E. by watching the videos from Mrs Rotherham and Joe Wicks!

Joke Time!

Q: Why is 6 afraid of 7?

A: Because 7 8 9!

On the menu tonight...

Meatballs!
Here is Charlie preparing the mince to make some meatballs for one of his dinners this week. It looks like he is having a lot of fun!

Outdoor Learning!

Aidan went out looking for sticks to build his bird's nest this week and he came across these beautiful snowdrops. Why do you think these flowers have the name 'snowdrops'?

Josh loves dinosaurs so much, that he's starting to turn into one!

There's been lots of rhyming this week. Here's Noah having a look at a book, and Lucas writing rhymes on lines (surely that's close enough to count as a rhyme!)

There has been a lot of thinking about food this week! Here is Cherry's page of food for special occasions, and Ethan's delicious shortbread men with chocolate drop

What else have Maple been up to?

Lucy got creative with some tubes and made her own marble run. It took a few attempts to get it just right.

Look at the concentration on Rocco's face. He has been using Cheerios and spaghetti to help him with his Maths. I wonder how many Cheerios he ate?

Benjamin and Matthew have been doing Mrs Rotherham's P.E. sessions.

Willow has been using slime! Do you think she likes how it feels?

Millie has been busy teaching her little brother. Here they are working on their Phonics together. What sound do you think are they doing the action for?
