- I will only download or use any video chat apps with an adult's permission.
- I will not share passwords or meeting ID with anyone outside my home.
- My parent/carer needs to be nearby (in the same room) when I am video chatting with my teacher.
- I will not record or take photos of video chats.
- I will not use the chat / private chat function during the call unless directed to do so by the teacher / teaching assistant.
- I will not invite teachers to chat. I will wait until the teacher arranges a call with my parent or carer.
- If I'm on a call with other children, I will remember the same rules that we use for Circle Time at school and treat everyone respectfully.
- If attending an online teaching session, I will have the correct equipment ready to assist my learning.
- I will make sure that I am dressed appropriately for talking to my teacher.
- I understand that if I don't follow these rules, I may not be allowed to use video chat with my teacher in future.

* Note for parents/carers: Please discuss this with your child/ren at an age appropriate level before they take part in their first video call with their teacher.
